CORPORATE EMPLOYEE ATTRITION ANALYSIS

PROBLEM STATEMENT

Date	16 October 2022
Team Member	Monish Kumar R,Kesavan M,Manikandan M, Nirmal Raj S
Project Name	Corporate Employee Attrition Analysis

Work force is the most crucial component. Successfulemployees meet deadlines, generate revenue, and enhance the brand through satisfying encounters with clients.

A significant expense to an organization is Employee attrition and in many cases, the Human Resources department's top priority is to foresee such attritions.Your goal in solving this problem is to forecast an organization's employee attrition rate.

Iam	Iam trying to	But	Because	Which makes me feel
Monish Kumar R	Increase employee satisfaction	More working hours	Inadequate employee for doing projects	Helplessness
Kesavan M	Hike salary	Profit is less	Lack of project	Frustration
Manikandan M	Recognize employees contribution	Conflict between employees	No project to prove others performance	Frustration

Nirmal Raj S	Medical beneficials	Insufficient finance required	No new projects arrived to the company	Emptiness
